

PSHS Main Campus Intellectual Property Student Agreement Form

In accordance with BOT Resolution No. 2020-10-96 (PSHS System Intellectual Property (IP) Policy), the following are my rights and responsibilities regarding intellectual property as a student of Philippine Science High School Main Campus:

General Rule: The PSHSS and its scholars shall equally own the IP/ IPRs over the academic works/ outputs submitted in compliance with their academic, curricular, and extracurricular activities, including that of the science immersion Program (SIP), unless the student expressly waives said right in writing. In the case of joint ownership revenues from IPs/ IPRs shall be shared in accordance with the existing DOST-IP policy. The PSHS system shall have ownership over the material object of the PSHS scholars' academic works/ outputs, unless stipulated otherwise in writing and agreed by parties concerned. Pertinent provisions on revenue sharing under DOST IP Policy shall apply in the case of joint ownership and where the material object is sold, used, or commercialized. Furthermore, PSHS students shall always acknowledge the support of the PSHS System in the development of the work/output.

Special situations: The PSHS system and the scholar shall be considered as co-owners of the IP/IPR for work/output conceived even though the scholars are on leave of absence from the school.

Assignment of Rights: I agree as a condition of my participation in _____

<Identification/description of project/activity requiring the assignment of intellectual property>

to assign equal rights to the Philippine Science High School System (PSHSS) for any research and/or creative activities that I undertake as a PSHS Main Campus student that would translate into useful goods and services for the inclusive growth of the Philippine economy. I also assign and do hereby assign the PSHS system to have complete ownership over the material object/s of my academic works/ outputs. I also reserve the right to the PSHS system to make use of R&D results and the IP generated for educational, scholarly, and other non-commercial research purposes.

Right to Receive Royalties: I understand that in assigning equal IP rights to PSHSS, the PSHSS will manage the intellectual property under the current PSHS System Intellectual Property (IP) Policy, and will share resulting royalties, if any, with me accordingly. PSHSS will be solely responsible for patenting and commercializing the intellectual property as well as maintaining, enforcing, and defending the intellectual property.

Cooperation with the IP Protection Process: I agree to inform PSHSS of any intellectual property that I may develop and to make myself available to the Campus Technology Licensing Officer, to sign and submit all pertinent papers, take all lawful oaths, and perform all acts that will facilitate the IP protection process. I understand that all expenses related to IP will be shouldered by the PSHSS.
